Dear President Donald Trump,

Public Advocate of the U.S. is proud to deliver to you these 50,000+ signed petitions from the American people. These petitions show the desire of mainstream Americans for a Justice on the Supreme Court who will issue rulings according to the Constitution, and not according to their personal bias. A Justice who will respect the rule of law, and not try to legislate from the Bench. There are five petitions presented here, yet they are all saying the same thing.

As the nation's premier non-profit, pro-family activist organization, we are always on the front lines of the political battle against the left and their immoral policies. Our members are dedicated to the fight to preserve traditional family values and to keep the United States from the perversity of the radical Homosexual Lobby. We fight for America's historic, Bible-based morality and Christian family values, holding the First Amendment's right to religious freedom as a priority.

Public Advocate played a critical role in selecting Justice Neil Gorsuch, and in confirming Justice Brett Kavanaugh over the vicious assault by the Homosexual Lobby. And we will fight even harder to see that a Constitutional-minded, pro-Family justice is confirmed now. **We are giving our full endorsement to Amy Barrett.**

For God and the Family,  
HON. EUGENE DELGAUDIO  
President, Public Advocate of the United States

## **Confirm Judge Barrett Petition to: My Senators**

Whereas: President Donald Trump has announced Judge Amy Barrett as his pick to replace Justice Ruth Bader Ginsburg on the United States Supreme Court; and

Whereas: Judge Barrett is already being hailed by many conservative groups as an excellent jurist, while being vilified by many Leftists as a detriment to civil liberties; and

Whereas: Judge Barrett has proven in past cases as a circuit judge on the U.S. Court of Appeals for the Seventh Circuit that she will uphold Religious Liberty and conservative values;

Therefore: I add my name and want my two U.S. Senators to know I support Amy Barrett for the U.S. Supreme Court as nominated by President Donald Trump.

**Signed,**
