Who we are:

Since its founding in 1981, Public Advocate has grown into a dedicated group of young conservatives in Washington, D.C., with a network of volunteers and supporters nationwide. Our continuous growth over the years is due to the fact that we have never wavered from our firm conviction that political decisions should begin and end with the best interests of American families and communities in mind.

Public Advocate offers strong and vocal opposition to:

- Same sex “marriage” and the furtherance of so-called "Gay Rights"
- The mainstream media's promotion and glorification of drug abuse, teenage sex, gangs, atheism, homosexuality and other immoral behavior and beliefs
- The creation of special classes of Americans at the expense of the traditional American family.

Through the years, Public Advocate has become a highly visible political organization and a model for other conservative activist groups in Washington D.C. and across the country.

Kavanaugh Singers

Lyrics sung to the tune
of "Chim Chim Cher-ee"

Brett Kavanaugh
Brett Kavanaugh
In him we'll see /
A justice as just as
/ A justice can be

Brett Kavanaugh
Brett Kavanaugh
He'll be so true /
As justice he'll do
what / Good
justices do

(Not try to act like
A lawmaker too)

Long was the letter / Of law misconstrued
He may need to sweep / Away much that's accrued.

Out with the smoke, / Emanations, and haze!
Penumbra begone! / Brett will sweep them away!

Brett Kavanaugh
Brett Kavanaugh
He'll be so true / Chim chim cher-ee, chim cher-ee
Chim cher-oo

He is the solution,
To our Constitution!

CAKEY BREAKY HEART

Lyrics sung to the tune
of "Achy Breaky
Heart"

You can say my
work / Didn't rock
your world, / You
can take your
business /
Someplace else,

You can tell your
friends / Don't buy
a cake from him /

And write and post / A bad review on Yelp.

But don't sue my shop, / My Masterpiece Cakeshop, / 'Cause I
wouldn't make / A wedding cake for men,

'Cause if you sue my shop, / My Masterpiece Cakeshop, / I may
never bake / Another cake again.

You can have your view / And I can have mine too, / And yours is
not / Triumphant over mine,

But when you trash my faith / And throw it in my face / That's
when you / Have crossed the line.

So, don't sue my shop, / My Masterpiece Cakeshop, / 'Cause I
wouldn't make / A wedding cake for men,

'Cause if you sue my shop, / My Masterpiece Cakeshop, / I may
never bake / Another cake again.

GOD BUSTERS

Lyrics sung to the
tune of "Ghost
Busters"

If there's
someone prayin'
/ In your
neighborhood,

Who you gonna
call?

GodBusters!

If they share the
Word / About
bad and good, /

Who you gonna call? GodBusters!

I ain't afraid of no Ghost! / I ain't afraid of no Ghost!

Are religious things / Making you see red? /

Who you gonna call? GodBusters!

And a sinful past / Makes you spiritually dead? /

Who you gonna call? GodBusters!

I ain't afraid of no Ghost! / I ain't afraid of no Ghost!

Who you gonna call? GodBusters!

If you're all annoyed / By that spiritual void, /

Give Bernie a call At GodBusters!

We've Just Begun

Sung to tune of "We've Only Just Begun" (Carpenters)

(Chorus:

We've only just begun
to win, supreme
Court justices 7-2
they vote our way

We've only just
begun.)

Fighting for Baker's
may seem frivolous,
But they have the
right to have their say

Religious freedom is not new to us,
We must defend it every day! together!

(Chorus)

Fighting for Baker's may seem frivolous,
But they have the right to have their say

Religious freedom is not new to us,
We must defend it every day! together!

(Chorus)

Together! Together!

We've only just begun to win supreme Court justices 7-2 they vote
our way

We've only just begun

A JUSTICE LIKE SCALIA

Sung to tune of "Maria" (Sound of Music)

How do you top a justice like Scalia?

How to replace a lion of the bench?

How do you

find a mind

to match

Scalia's?

A textualist!

An

originalist!

A mensch!

Many a

thing you'd

like in his successor:

Unwillingness to obfuscate or fudge,

Respect for the law's intent And eloquence in dissent,

Principals from which he'll never budge.

Oh, how do you top a justice like Scalia? How to replace a giant of a judge?

WE'RE GETTING GORSUCH

Sung to tune of "Get Me to the Church on Time" (My Fair Lady)

We're getting Gorsuch as a justice, He's got a brilliant legal mind

Neil's no beginner, Trump picked a winner! For justice of the court, Neil's fine!

He will protect our Constitution And all the rights therein enshrined,

Giving assent to original intent! For justice of the court, Neil's fine!

Religious freedoms he will support And right to life won't come up short

We're getting Gorsuch as a justice He's got a brilliant legal mind

Oh. Mama mia! Another Scalia!

For justice of the court, Neil's fine!

Trump Dumps the Weasel

Sung to the tune of "Pop Goes the Weasel"

Chorus:

William Pryor for the Court?
He's nothing but a weasel.
Instead of nominating him,
Trump should dump the weasel.

Pryor hounded Judge Roy Moore
To make his faith illegal.
Now he'll get his just deserts
When Trump dumps the weasel.

(Chorus)

Pryor ruled that middle schools
Must tolerate gay evils.
If only for our children's sake,
Trump should dump the weasel.

(Chorus)

William Pryor's not the
guy
To occupy a seat so
high.

Let him kiss the Court goodbye
As Trump dumps the weasel.

(Chorus)

Morally

Sung to the tune of
"Aura Lee"

We've heard about
dear Turley's plan,
And we're here to
say,

It's sad that such a
senseless man is
with the B S A!

Chorus:

Morally, Morally,

That's the way we like.

Do not touch our girls and boys,

Just go take a hike.

(Chorus)

We have seen just what can come When anyone at all
Can get quite close to little ones And frankly, we're appalled!

Morally, Morally,

What will it be like

If we let the unsavory

Get close to our dear tykes?

(Chorus)

You say that we should open doors And welcome one and all.
With no attention to the boors Who'll make our children bawl.

Morally, Morally,
Whatever shall be done
If we hire Sandusky,
and let him near our sons?
(Chorus)

The Sonia Sotomayor Song

Late last night when we were all in bed
Sonya wearily took her lantern to the shed
and when the cow kicked it over
she shook her head and said

"It'll be a hot time in the old town tonight"

She fired firefighters
and a slew of ex-
marines
and replaced them
with some sissys and
real proficient fiends
and when the town
caught fire there was
no in between
It was a hot time in the
old town that night.

And when the time comes for Sonya
and equal protection of our rights
we can all sit and wonder or
start running for our lives
and when she starts to burn
the Constitution to the ground
"It'll be a hot time in the old town tonight"

Elvis on Marriage

To The tune of "Teddy Bear"

Blue

I don't

I don't

Do this thing

Because a man

and a woman

Is such a beautiful
thing

When I ask you
please

Please darlings do
this for me

Don't you know?

Cause I need you so

I don't

I don't stray away

On that you can meditate

When God made Adam

And put him in the Garden that night

It was between a woman and a man

God didn't take the rib of Adam to make another man

Don't change our ways

Cause it was built in Americas faith

So, when I take your hand, I want you women to understand

Oh no no, please don't,

Alito

To the tune of "Maria" from "West Side Story"

The most beautiful sound I've ever heard

/Alito, Alito/Alito, I just met a judge named Alito/

And suddenly the name will never be the same/

Alito, Bush just picked a judge named Alito/

Alito, say it proud, that Republican saying/

Say it soft and there's Democrats praying/

Alito, may
the Senate
confirm
Alito.

AMERICAN SPY

(sung to the tune of American Pie)

(as sung by Hillary)

I can't remember if I cried
When I realized I'd been denied,
But something scorched me deep inside
The day "collusion" died.

Why? Why? My American spies –
Comey, Brennan, and their brethren –
Were unethical guys,
But those good old boys
Came up empty and dry,
Leaving me no way to defy
Leaving me no way to defy.

I was an ugly, enraged, pompous frump
With an insane notion I could outwit Trump,
But I knew I was out of luck
The day "collusion" died.

Why? Why? My American spies –
Comey, Brennan, and their brethren –
Were unethical guys,
But those good old boys
Came up empty and dry,
Leaving me no way to defy
Leaving me no way to defy.

My Fellow American,

These songs are classic tunes with substituted patriotic words as actually performed 100s of times before millions of viewers on social media, major news networks and in person in direct public productions in Washington, D.C. during historical events like the confirmation hearings of the Supreme Court justices.

Thank you to all volunteers, staff and Bob Duplantier our famous pun and poet in residence. Special thank you to the members of the public and anyone who sings these songs for parody or patriotic discourse in traditional American theatrical fashion.

There are videos on our YouTube channel: PublicFreedom if you care to see the live performances. Permission is granted in advance to copy or publish this songbook in any format: (electronic copies available for download on our resource page).

Please consider joining up with us or sending us your own rendition of these songs or your own creations to publicadvocateusa.org@gmail.com and we will post to our Facebook and social media networks.

Sincerely,

For God and for the Family,
