Who we are:

Since its founding in 1981, Public Advocate has grown into a dedicated group of young conservatives in Washington, D.C., with a network of volunteers and supporters nationwide. Our continuous growth over the years is due to the fact that we have never wavered from our firm conviction that political decisions should begin and end with the best interests of American families and communities in mind.

Public Advocate offers strong and vocal opposition to:

- Same sex marriage and the furtherance of so-called "Gay Rights";
- The mainstream media's promotion and glorification of drug abuse, teenage sex, gangs, atheism, homosexuality and other immoral behavior and beliefs;
- The creation of special classes of Americans at the expense of the traditional American family.

Through the years, Public Advocate has become a highly visible political organization and a model for other conservative activist groups in Washington D.C. and across the country.

Adam Schiff Sham Whistleblowers

Tune "Give A Little Whistle" from Pinocchio

When you get in
trouble

And you don't know
right from wrong,

Get a lyin' whistler,
get a lyin' whistler

When you meet
temptation

And the urge is very
strong

Get a lyin' whistler, get a lyin' whistler

Not just a little squeaker, a pucker up and
blower

And if your whistler's meek, yell
"We gotta impeach him!"

Right

Take the bent and crooked path

And if you start to slide

Get a lyin' whistler, get a lyin' whistler

And always let your conscience be denied

Take the bent and crooked path

And if you start to slide

Get a lyin' whistler (yoo-hoo)

Get a lyin' whistler (yoo-hoo)

And always let your conscience be denied

And always let your conscience be denied

MadamSpeakerVille

To the Tune of "Margaritaville by Jimmy Buffett"

Numb from a rum cake,
watching the House take
One of those votes that call for roll call
Starting to toddle, I downed a whole bottle
Grab the lecturn and try not to fall

Wasting away again in MadamSpeakerVille
Searchin' for my last scotch single malt
Some people claim I'm the woman to blame
But I know it's Donald Trump's fault

Watch me unravel, wavin' my gavel
With nothing to show but these souvenir pens
I'm limp as linguini from vodka martinis
What I say doesn't make any sense

Wasting away again in MadamSpeakerVille
Searchin' for my last scotch single malt
Some people claim I'm the woman to blame
But I know it's Ronald Dump's fault

I have a confession: I start every session
High as a kite, cruising on cruise control
But I'll get through this bender and enact my
agenda

Protecting the Deep State's my one single goal

Wasting away again in MadamSpeakerVille
Searchin' for my last scotch single malt
Some people claim I'm the woman to blame
But I know it's Donald Duck's fault.

Rudolph the Hard-Nosed Lawyer

To the Tune of "Rudolph, the Red Nosed Reindeer"

Rudolph the Hard-Nosed Lawyer
Had some very scary foes,
And if you ever had some
You would know how that goes.

All of the local riffraff
Used to laugh and call him names,
They couldn't get good Rudolph
To join in any riffraff games,

Then one Foggy Bottom eve,
Donald came to say,
"Rudolph, with your hard-nosed fight,
Won't you drain the swamp tonight?"

Then all the riffraff loathed him,
And they shouted out, "We'll plea!
Rudolph the Hard-Nosed Lawyer,
We'll go down in infamy.

12 Days of Impeachment

To the tune of "The 12 days of Christmas"

On the twelfth day of hearings,

Pelosi gave to us:

Disgruntled wonks,

No smoking gun,

No abuse of power,

No laws a-broken,

No misdemeanors,

Nasty Nadler napping,

Shifty Schiff a-lying,

No bribery!

No quid pro quo,

No Russians,

Mueller's Report,

and the garbage in Steele's dossier.

American Spy

(As sung by Hillary Clinton and her American spies in Prison.)

To the Tune of American Pie.

I can't remember if I cried
when I realized I'd been
denied
But something scorched me
deep inside
the day collusion died.

(Refrain)

Why, Why my American
spies
Comey, Brennan and their brethren
were unethical guys and them
good old boys came up empty and dry)

Leaving me no way to defy
Leaving me no way to defy

I was an ugly, enraged
pompous frump
with an insane notion I
could outwit Trump
But I knew I was out of
like luck
the day collusion died.

(Refrain)

Kavanaugh Singers

To the Tune of "Chim Chim Cher-ee"

Brett Kavanaugh

Brett Kavanaugh

In him we'll see / A justice as just
as / A justice can be

Brett Kavanaugh

Brett Kavanaugh

He'll be so true / As justice he'll
do what / Good justices do

(Not try to act like
A lawmaker too)

Long was the letter / Of law
misconstrued
He may need to sweep / Away
much that's accrued.

Out with the smoke, / Emanations,
and haze!
Penumbras begone! / Brett will
sweep them away!

Brett Kavanaugh

Brett Kavanaugh

He'll be so true / Chim chim cher-ee,
chim cher-ee

Chim cher-oo

He is the solution, To our Constitution!

CAKEY BREAKY HEART

Lyrics sung to the tune
of "Achy Breaky
Heart"

You can say my
work / Didn't rock
your world, /You
can take your
business /
Someplace else,

You can tell your
friends / Don't buy
a cake from him /

And write and post / A bad review on Yelp.

But don't sue my shop, / My Masterpiece Cakeshop, / 'Cause I
wouldn't make / A wedding cake for men,

'Cause if you sue my shop, / My Masterpiece Cakeshop, / I may
never bake / Another cake again.

You can have your view / And I can have mine too, / And yours is
not / Triumphant over mine,

But when you trash my faith / And throw it in my face / That's
when you / Have crossed the line.

So, don't sue my shop, / My Masterpiece Cakeshop, / 'Cause I
wouldn't make / A wedding cake for men,

'Cause if you sue my shop, / My Masterpiece Cakeshop, / I may
never bake / Another cake again.

GOD BUSTERS

Lyrics sung
to the tune
of "Ghost
Busters"

If there's
someone

prayin' / In your neighborhood,

Who you gonna call? GodBusters!

If they share the Word / About bad and good, /

Who you gonna call? GodBusters!

I ain't afraid of no Ghost! / I ain't afraid of no Ghost!

Are religious things / Making you see red? /

Who you gonna
call? GodBusters!
And a sinful past
/ Makes you
spiritually dead? /

Who you gonna call? GodBusters!

I ain't afraid of no Ghost! / I ain't afraid of no Ghost!

Who you gonna call? GodBusters!

If you're all annoyed / By that spiritual void, /

Give Bernie a call At GodBusters!

We've Just Begun

Sung to tune of "We've Only Just Begun" (Carpenters)

(Chorus:

We've only just begun
to win, supreme
Court justices 7-2
they vote our way

We've only just
begun.)

Fighting for Baker's
may seem frivolous,
But they have the
right to have their say

Religious freedom is not new to us,
We must defend it every day! together!

(Chorus)

Fighting for Baker's may seem frivolous,
But they have the right to have their say

Religious freedom is not new to us,
We must defend it every day! together!

(Chorus)

Together! Together!

We've only just begun to win supreme Court justices 7-2 they vote
our way

We've only just begun

A JUSTICE LIKE SCALIA

Sung to
tune of
"Maria"
(Sound of
Music)

How do
you top a justice like Scalia?
How to replace a lion of the bench?

How do you
find a mind
to match
Scalia's?

A textualist!

An originalist!

A mensch!

Many a
thing you'd
like in his successor:
Unwillingness to
obfuscate or fudge,

Respect for the law's intent and eloquence in dissent,
Principals from which he'll never budge.

Oh, how do you top a justice like Scalia? How to replace
a giant of a judge?

WE'RE GETTING GORSUCH

Sung to tune of "Get Me to the Church on Time" (My Fair Lady)

We're getting Gorsuch as a justice, He's got a brilliant legal mind

Neil's no beginner, Trump picked a winner! For justice of the court, Neil's fine!

He will protect our Constitution And all the rights therein enshrined,

Giving assent to original intent! For justice of the court, Neil's fine!

Religious freedoms he will support and right to life won't come up short

We're getting Gorsuch as a justice He's got a brilliant legal mind

Oh. Mama mia! Another Scalia!

For justice of the court, Neil's fine!

Trump Dumps the Weasel

Sung to the tune of "Pop Goes the Weasel"

Chorus:

(William Pryor for the Court?
He's nothing but a weasel.
Instead of nominating him,
Trump should dump the weasel.)

Pryor hounded Judge Roy Moore
To make his faith illegal.
Now he'll get his just deserts
When Trump dumps the weasel.

(Chorus)

Pryor ruled that middle schools
Must tolerate gay evils.
If only for our children's sake,
Trump should dump the weasel.

(Chorus)

William Pryor's not the guy
To occupy a seat so high.
Let him kiss the Court
goodbye
As Trump dumps the weasel.

(Chorus)

Morally

Sung to the tune of
"Aura Lee"

We've heard about
dear Turley's plan,
And we're here to
say,

It's sad that such a
senseless man is
with the B S A!

(Chorus:

Morally, Morally,

That's the way we like.

Do not touch our girls and
boys,

Just go take a hike.)

(Chorus)

We have seen just what can
come When anyone at all

Can get quite close to little
ones And frankly, we're
appalled!

Morally, Morally,

Whatever shall be done

If we hire Sandusky,
and let him near our sons?

Morally, Morally,

What will it be like

If we let the unsavory

Get close to our dear tykes?

(Chorus)

You say that we should open
doors And welcome one and
all.

With no attention to the
boors Who'll make our
children bawl.

(Chorus)

The Sonia Sotomayor Song

Late last night when we were
all in bed
Sonya wearily took her
lantern to the shed
and when the cow kicked it
over
she shook her head and said
"It'll be a hot time in the old
town tonight"

She fired firefighters and a
slew of ex-marines
and replaced them with some
sissys and real proficient fiends
and when the town caught fire
there was no in between
It was a hot time in the old
town that
night.

And when the time comes for Sonya
and equal protection of our rights
we can all sit and wonder or
start running for our lives
and when she starts to burn the
Constitution to the ground
"It'll be a hot time in the old town tonight"

Elvis on Marriage

To The tune of "Teddy Bear"

Blue

I don't

I don't

Do this thing

Because a man

and a woman

Is such a beautiful
thing

When I ask you

please

Please darlings do
this for me

Don't you know?

Cause I need you so

I don't

I don't stray away

On that you can meditate

When God made Adam

And put him in the Garden that night

It was between a woman and a man

God didn't take the rib of Adam to make another man

Don't change our ways

Cause it was built in Americas faith

So, when I take your hand, I want you women to understand

Oh no no, please don't,

Alito

To the tune of "Maria" from "West Side Story"

The most beautiful sound I've ever heard

/Alito, Alito/Alito, I just met a judge named Alito/

And suddenly the name will never be the same/

Alito, Bush just picked a judge named Alito/

Alito, say it proud, that Republican saying/

Say it soft and there's Democrats praying/

Alito, may the Senate
confirm Alito.

My Fellow American,

These songs are classic tunes with substituted patriotic words as actually performed 100s of times before millions of viewers on social media, major news networks and in person in direct public productions in Washington, D.C. during historical events like the confirmation hearings of the Supreme Court justices.

Thank you to all volunteers, staff and Bob Duplantier our famous pun and poet in residence. Special thank you to the members of the public and anyone who sings these songs for parody or patriotic discourse in traditional American theatrical fashion.

There are videos on our YouTube channel: PublicFreedom if you care to see the live performances. Permission is granted in advance to copy or publish this songbook in any format: (electronic copies available for download on our resource page).

Please consider joining up with us or sending us your own rendition of these songs or your own creations to publicadvocateusa.org@gmail.com and we will post to our Facebook and social media networks.

Sincerely,

For God and for the Family,
