George (aka Melissa's Story)	Alex Gino		<p>Porn references, talking about chopping off genitals, kids trying on each other's underwear ... the sexual topics are just too adult for a third grader!</p>	<p>She immersed her body in the warm water and tried not to think about what was between her legs, but there it was, bobbing in front of her. That's it." Scott grinned, oblivious to George's panic. "That's my little bro! Growing up and looking at dirty magazines!" "Hey, Rick. It looks like someone's finally start to grow some balls." There was nothing George dreaded more than when boys talked about what was in her underpants. "Dude, I thought you had porn or something in there, so I took a peek." "So, like, do you want to"--he made a gesture with two fingers like a pair of scissors--"go all the way?" George squeezed her legs together. "Maybe someday," she said.</p> <p>"I didn't even know you had any skirts," said George. "I don't wear them to school. Boys are dirty and try to look up them." Melissa took off her own underwear, stepped into Kelly's, and pulled it up under her skirt. Other than the coolness of the fabric on her skin, she could barely tell she was wearing anything at all. She lifted her skirt to see her underwear, covered in tiny red hearts. She pulled it down, sat, and peed; just like a girl.</p>		<p>Lt. Gov.
