This illustrated volume — part of a series called "The Family Library" — is endorsed by Planned Parenthood and written by a former member of Planned Parenthood's advisory

board. It introduces kids to sexual intercourse, masturbation, homosexuality, and other delicate topics, all presented in a cheerful, upbeat way designed to engage children from ten years of age (it has found its way into classes of pupils younger than that). <https://www.lifesitenews.com/opinion/the-protection-of-our-children-lgbtq-critical-race-theory-1619-project/>
